

## A MESSAGE FROM HANUL FAMILY ALLIANCE

In 1987, the Korean American Senior Center was founded to serve the older adult Korean-American community in Chicago. With sparks of inspiration, the agency gained traction and evolved into Hanul Family Alliance in 2007. For over three decades, Hanul has become an essential resource to the Korean American and multiethnic immigrant communities in Chicagoland. As Fiscal Year 2023 comes to a close, we stand on the brink of a new era for Hanul. We are inspired. We look to reconnect with friends from the past, forge new partnerships, expand our services, and ignite new programs. In true form, we are ready to ignite Hanul's **Sparks of Inspiration**.

Thanks to the dedication of our staff, board, volunteers, donors, and partner organizations, Hanul continues to thrive. Your dedication to our mission plays a pivotal role in Hanul's impact on the community. As we look to the coming year, we are filled with excitement. We invite you to take a look at this annual report and be inspired to create new **Sparks of Inspiration!**

## TESTIMONIALS

### DR. JOSEPH KYU HAE CHUNG, PRIVATE HOME CARE CLIENT

Dr. Joseph Kyu Hae Chung (1939 - 2023) passed away on August 6, 2023, after receiving Hanul's Private Home Care for over a year. Mr. Chung's wife, Esther, had also been a Hanul Private Home Care client before she passed again in 2021. Sharing his home care experiences, Mr. Chung once stated: *"The home care aide kindly comes every week to help tidy up and clean my house, do the laundry, and even is willing to help me when I need to go grocery shopping. I greatly appreciate it since I had to manage everything by myself after my wife departed. It was very nice to get not only practical help but also kind comfort from a Hanul home care aide."*

### MS. YONGSOON PARK, HEALTHY AGING CLIENT

*"Hello everyone, my name is Yongsoon Park. When I received a letter in English, I was very frustrated because I did not know what to do with it. Hanul Family Alliance helped me with all the paperwork and I am so grateful for that. Hanul helped me fill out applications for a Link card, free bus pass, senior apartment applications, energy assistance, and so much more! Thank you Hanul and please continue to help our older adults! Thank you."*

*"Being a Nutrition Program volunteer fills me with joy. I love seeing my senior friends when delivering meals. Volunteering for Hanul helps me feel a connection to my Korean heritage and to my mom who passed away in 2018. Hanul inspires me to instill the value of volunteerism and the importance of community in my 10 year old daughter."*
